Wednesday 6th May 2020

Dear Parents/ Carers,

I hope you are well.

I write with more information, updates and reminders.

Please read this letter thoroughly. Whilst some information might appear repetitive (reminders), much of it is updates and more information.

Friday 8th May Bank Holiday

As it is a Bank Holiday, and school would usually be closed, there will be no 'Virtual School' uploads or resources for that day.

The onsite provision will also mimic that of the Easter Holiday provision and be only open for Key Worker children. Therefore, places allocated to those Vulnerable and Education Health and Care Plans are not expected to attend on that Friday.

Virtual School

This week, we uploaded our first 'Learning of the Week' and 'PE fitness' videos, delivered by Mr Wright.

We do hope the children enjoyed seeing their teachers and that you have all found the videos useful.

We have also really enjoyed sharing stories with the children over the past week. If you have not accessed these new materials, they can be found on the Virtual School portal in the following folders:

Learning of the week- Your year group folder then in the current week's folder

Story Time- in the Story Time folder then select your Key Stage (**2pm for EYFS/KS1** and **2.30pm for KS2**).

Please be reminded of the correct email addresses to forward Home Learning outcomes for your child.

Nursery - nurseryhomelearning@jessop.lambeth.sch.uk

Reception- receptionhomelearning@jessop.lambeth.sch.uk

Year 1- y1homelearning@jessop.lambeth.sch.uk

Year 2- y2homelearning@jessop.lambeth.sch.uk

Year 3- y3homelearning@jessop.lambeth.sch.uk

Year 4- y4homelearning@jessop.lambeth.sch.uk

Year 5- y5homelearning@jessop.lambeth.sch.uk

Year 6- y6homelearning@jessop.lambeth.sch.uk

Please ensure all work has your **child's name and class clearly recorded**.

PE Fitness Video

We are currently working with our PE provider, Moving Matters, to support us with regular fitness videos to support our children's mental and physical wellbeing. We will keep you informed when they are ready and added to our Virtual School portal.

Expectations

As we work hard to make our 'Virtual School' portal more interactive for children staff and families, it is vitally important that the video resources uploaded are used solely in the manner that is intended by our school.

No videos are to be downloaded or used for any purpose other than watching them in the format in which they have been created.

We are very aware of how vulnerable such requests make our staff members, who are incredibly willing to engage and support in this way. Therefore, any reports of individuals misusing, adapting or recreating our school video or audio resources in any way will be fully investigated by the school. Where necessary, external bodies will also be involved and invited to support in resolving matters.

Within our Virtual School, we will be signposting more resources for your child/ren to use. Please ensure you continue to supervise your child's use of the internet. Our links will always direct children to the resource we intend them to use. However, it is your responsibility to ensure they strictly access that resource. Without our ability to do this, our children will miss out on some very useful learning tools.

We expect the resources will be used just how we intend, enabling everyone to enjoy the added interactivity that will benefit us all.
