

Jessop Stockwell Federation

Lead Headteacher: Ms A.Parker

Friday 11th September 2020

Dear Parents/ Carers,

Thank you all for your support during the first week of our return to school this year.

On a daily basis, senior leaders are reviewing, evaluating and modifying our processes in response to what is happening. Your support and patience is greatly appreciated at this time, whilst we all adapt.

Virtual School moving to Google Classroom

All schools are required to have an online learning platform that can be easily accessed should a local lockdown be enforced, or a bubble is required to quarantine for 14 days. We are keen to ensure our children can continue to access a quality education, including targeted activities and quality feedback and marking. Therefore, in future, our children will access their learning using Google Classroom.

As our readiness for this is essential, over the next few days you will receive your child's login information from the school office. To access Virtual School, please visit classroom.google.com

Whilst children are required to be in school, our Google Classroom will be not active. However, please ensure you login and familiarise yourself with the space. Once active, you will be able to see any messages from the teachers and view your child's assignments (work). You will be able to view work and submit tasks. Please refer to the attached document for how to get around Google Classroom.

Annual Executive and Governors Meeting

On **Wednesday, 30th September at 7pm** we will be hosting our first annual '**The Federation and the year ahead**' virtual presentation meeting with the Governing board. You will have an opportunity to forward any questions you may have, in line with the agenda, prior to the meeting. Further information on the aims of the presentation and how you can submit your questions, will be shared with you in due course. This meeting is for new parents and anyone who wishes to join us.

Kind regards,

Ms A. Parker
