	<ul style="list-style-type: none"> A case of COVID-19 (pupil or school adult) is confirmed at our settings. 	<ul style="list-style-type: none"> Contact with the local Public Health England Protection Team will be made to discuss the case, identify people who have been in contact with them and to advise on any actions or precautions that should be taken. An assessment of each childcare or education setting will be undertaken by the Health Protection Team with relevant staff. Advice on the management of pupils or students and staff will be based on this assessment. The Health Protection Team will also be in contact with the patient directly to advise on isolation and identifying other contacts, and will be in touch with any contacts of the patient to provide them with appropriate advice. Advice on cleaning of communal areas such as classrooms, changing rooms and toilets will be given by the Health Protection Team. If there is a confirmed case, a risk assessment will be undertaken by the educational establishment with advice from the local Health Protection Team. In most cases, closure of the childcare or education setting will be unnecessary but this will be a local decision based on various factors such as establishment size and pupil mixing.
