To all Parent/carers,

Inspection of Jessop Primary School from 1st to 2nd May 2012

As you are aware Jessop Primary School had a visit from the OFSTED inspectors and was subject to a section (5) inspection.

Following the recent inspection of Jessop Primary School, I am pleased to enclose the inspection report, in accordance with section 14(1) of the Education Act 2005. This is the final version of the report, which will be published within five working days from the date of this letter, on the Ofsted website at www.ofsted.gov.uk.

'JESSOP IS AN OUTSTANDING SCHOOL'

The school has been judged in four areas :

- 'Achievement of pupils', judged as; '**Outstanding**'
- 'Quality of teaching', judged as; '**Outstanding**'
- 'Behaviour and safety of pupils' judged as; '**Good**'
- 'Leadership and management' judged as; '**Outstanding**'

'Overall effectiveness of the school was judged as outstanding'

Needless to say the leadership and management, staff and the local authority are very happy with this judgment.

Everyone, parents, children and staff have worked extremely hard and it is reassuring to know that our efforts have resulted in this outcome.

Please read the attached report which gives more detailed information on this inspection.

We are all proud of this result and hope you are too.

Yours Sincerely
