

#HelloYellow

On Friday 9th October, Jessop Primary School was transformed into a bright, beautiful burst of colour to mark World Mental Health Day. To demonstrate the importance of speaking up about mental health, the children and adults of Jessop came into school wearing yellow, or very bright, clothing. Everyone also brought in £1 as a donation to the children's mental health charity YoungMinds. During the day there were lots of mental health activities and discussions taking place across the school including special assemblies, circle times and even a yellow themed photo booth!

Going for Gold Virtual Assembly

On Tuesday 13th October, we held our "Going for Gold" assembly. All children Nursery to Year 6 received certificates. We recognised and celebrated children who have attained certain levels (STARS) in the school reward system.

Our children really have been Going for Gold and showing our 5 School Rules:

- **Be respectful**
- **Be responsible**
- **Be kind**
- **Be hardworking**
- **Be a good listener**

When pupils achieve 10 stars they are at bronze level.
When pupils achieve 25 stars they are at silver level.
When pupils achieve 40 stars they are at gold level.

On Thursday 15th October we held a virtual Google Classroom and Home Learning workshop. A massive thank you to all the parents and carers who attended. We hope you found the information useful and are now all set for working with Google Classroom. If you were unable to attend, please refer to the school's website as the presentation and online tutorials have been uploaded.

Please use the following link: <https://jessopprimary.org.uk/Parents/Home-Learning/>

If you require any further support with accessing Google Classroom or how to support your child with his/her homework, please do not hesitate to contact the school via the office admin@jessop.lambeth.sch.uk and we will arrange for someone to help you.

Cakes and Sweets in School

Just a polite reminder, due to Covid 19 Government Guidelines, we will not be able to allow children to bring in sweets or cakes to share with other children.

We will let you know if this directive changes and hope that we can rely on your continued support to prevent the spread of the virus.'

Friends of Jessop

Friends of Jessop had their first Virtual Coffee Morning on Friday 9th October. This was well attended. The PTA and parents discussed making a whole school International Cookbook, which would be sent out as homework for all children to take part in. In addition, the contact information of each year group class representation will be sent out shortly. Thank you to all parents and carers that attended.
