

## ART AND DT Projects

### Year 2

In Year 2 we combined our DT learning with our humanities learning: We made a cart for an explorer (David Livingstone or Robert Falcon Scott) to carry their equipment in. To create the main body of our carts we initially cut a lid into a cereal box. This is done so the explorers can put their equipment in the cart and then close the lid to keep it safe. After this we attached two pieces of wooden doweling together to make the axel. Next, we pierced the sides of the cart and threaded the doweling through. Finally, we attached the wheels to the end of the doweling. Later on, we decorated the carts using paint. We created designs that represented David Livingstone or Robert Falcon Scott's expeditions.

### Year 4

After researching Roman warfare, the Year 4 children designed, built and tested catapults.

## ART AND DT Projects

### Year 3

Year 3 have been studying Ancient Egypt as part of their learning on Ancient Civilizations. The children have made a range of Egyptian inspired art pieces including replica cartouches from modelling clay, Egyptian collar necklaces and Egyptian inspired self-portraits. The topic has provided the children with the opportunity to research, design, decorate and evaluate various types of artwork.

### Year 6

To conclude Year 6's "Wakanda Forever" topic, children had the opportunity to research, design, and finally, build, their very own motorised vehicle. They needed to put their cross-curricular learning into action and build a circuit, consolidating their knowledge from last term's 'Electricity' unit! It was a challenging lesson, however, by working in teams and trying their hardest, they produce exceptional results! Well done Year 6!

**YEAR 3 TRIP TO IMPERIAL WAR MUSEUM**

Year 3 enjoyed a thought-provoking visit to the Imperial War Museum in Elephant and Castle on Tuesday 14th January 2020. The children got to see amazing WW2 artefacts such as replica trenches, tanks, aircrafts and bombs. They watched clips of 'life in Britain during WW2'. Both classes were particularly fascinated by the toys and games from the WW2 era. They were also intrigued by the clothing and uniforms worn by soldiers. The trip provided a great opportunity to understand how the war affected Britain and helped to consolidate our topic learning on our English core text 'Friend or Foe' by Michael Morpurgo.
