

ANTI BULLYING WEEK

It has been a busy and exciting anti-bullying week at Jessop! The week was launched with a whole school assembly delivered by the educational drama company BigFoot. The assembly focused on some of the different kinds of bullying such as emotional and cyber bullying. Several classes also took part in a BigFoot workshop that gave them the chance to use drama and movement to explore the impact of bullying and the steps we can take to combat it. On Thursday, a collection of classes went to the Ritzy Cinema to watch *Wonder*, a film that emphasises the importance of celebrating difference and treating others how you would like to be treated. Finally, on Friday the children's charity Barnardo's came in to work with a class. The workshop focused on the importance of speaking out about bullying and how to avoid becoming a bystander. All in all, anti-bullying week definitely gave us all a lot of enjoyment and a lot to think about and reflect on.

TRIP TO THE CINEMA

On Thursday 14th November 2019 Elephant, Gorilla and Lion classes walked to the Ritzy Cinema in Brixton to watch the film 'Wonder'. This film highlights the theme of anti bullying and celebrates diversity with the aim of promoting kindness within the school environment. We took note of the many precepts throughout the film and will particularly remember this one: 'When given the choice between being right or being kind, choose kind.' We had a fun morning out!

YEAR 5 TRIP TO THE LOCAL CHURCH

On the 7th of November, Year 5 went on a wonderful visit to the local church. It was a lovely opportunity to bring our learning of Christianity and in particular Christian churches and beliefs to life. We were greeted by Mrs. Margaret and Father Roy who gave us an insight into the history of the church and some of the Catholic church's fundamental beliefs. We had an opportunity to ask many questions; the visit was thoroughly enjoyed by all.

E SAFETY COFFEE MORNING

Thank you to all the parents and carers that came to our E-safety coffee morning. It was a very informative morning led by Ms. Jenkins, Miss Stephanie, and our local Community Police officers. We had a lot of engaging and interesting conversations about E-Safety, social media and computer games and some sharing of experiences that others could learn from. PC Simon Ho rounded the session up with handy suggestions of how to help parents and children at home to foster a more supportive digital and safer environment.

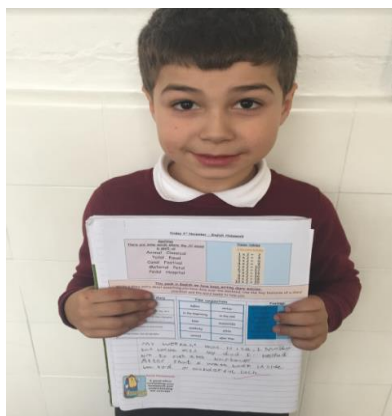

JPS SCHOOL COUNCIL 2019/2020

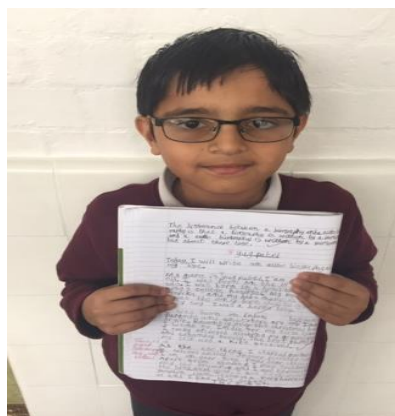

Thank you to all parents and carers who supported the Book Fair in October. We made a grand total of £814. The school has received £200 commission to spend on books for the library. What a great achievement!
