

### **Literacy**

#### ***What we're learning about:***

We will explore our core books: 'Just Imagine' by Pippa Goodhart and 'Maisy Dresses Up' by Lucy Cousins.

#### ***What we will do:***

We will continue to link sounds to letters, naming and sounding the letters of the alphabet.

We will continue to practice writing our own name and begin to make labels for our pictures.

### **Understanding the World**

#### ***What we're learning about:***

Children will begin to explore different types of sporting roles.

#### ***What we will do:***

Children will know some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends or family. Children will make comments and asks questions about aspects of their familiar world such as the place where they live or the natural world.

### **Mathematics**

#### ***What we're learning about:***

Children will begin to realise not only objects, but anything can be counted, including steps, claps or jumps.

#### ***What we will do:***

Children will separate a group of three or four objects in different ways, and begin to recognise the total is the same.

Children will order items by length or height and continue to use vocabulary: (tall, taller than, tallest, short, shorter than, shortest, long, longer, longest)

### **Communication and Language**

#### ***What we're learning about:***

Children will begin to question why things happen and how things work and respond to questions.

#### ***What we will also do:***

Children will use talk connected to the story and begin to use 'I can ....' statements to describe actions.

Children will continue to follow instructions and follow two part instructions.

### **Nursery Curriculum Guide Summer 2 2019**

**Jessop  
Primary  
School**

#### ***What shall we play?***

### **Personal, Social and Emotional Development**

#### ***What we're learning about:***

Children will continue to play together and invite other children to play with them.

#### ***What we will do:***

Children will work as part of a team and follow rules in games.

Children will learn ways to negotiate and solve problems when playing with each other.

### **Expressive Art and Design**

#### ***What we're learning about:***

Children will begin to join construction pieces and find ways to join different materials.

#### ***What we will also do:***

Children will use available props for role-play and recreate roles of different sports.

Children will create representations of different sports activities.

Children will begin to mix colours and experiment mark making with different colours.

### **Languages**

Children will take part in learning basic phrases greetings in the language of the month.

### **Physical Development**

#### ***What we're learning about:***

Children will show increasing control over an object in pushing, patting, throwing, catching or kicking it.

#### ***What we will also do:***

Children will experiment with different ways of moving.

Children will negotiate space successfully when playing racing and chasing games with others, adjusting speed or changing direction to avoid obstacles.

#### ***What else is going on?***
