

Year 6 Violinists & Cellists

## Champions – From Year 6 to beyond...

Dear Year 6 students,

You have an exciting year ahead. It's your last year in primary school and learning your instrument with Music Masters. However, your musical life is just beginning!

In Year 6, you start your journey to becoming a **Champion**, a graduate of Music Masters. To become a Champion, you'll take part in lots of activities which will help you develop skills and experiences through music, which will prepare you for life after primary school.

Across this year, you will have the chance to take part in some of the following activities:

- **Champions Skills workshops** – Explore events design, planning and public speaking as part of your end-of-year Graduation with Music Masters. *SIGN UP TO TAKE PART.*
- **Champions Forum** – We're opening up forums for YOU to have your say at Music Masters. You'll learn about what we do as a charity, become representatives and role models for music, and support us with new ideas. *SIGN UP TO TAKE PART.*
- **Helping Teachers** - Support younger musicians as a role model, by helping in their group lessons, ensembles or other music activities. *SIGN UP TO TAKE PART.*
- **Graduation** – Performing at your end of year celebration with family and friends.
- **Instrument** – Take your instrument, at a reduced cost, to help you continue playing.
- **Secondary School Support** – Help with applying to secondary schools, including with scholarship auditions and advice on music at your new school. We also talk with your new school about your current musical ability and experiences so you start at the right level.
- **ABRSM exam** (or similar) – To show your achievements on your instrument.

Champions have the chance to develop planning skills, become more confident, and be a role model in new and exciting ways.

In order to take part and learn more about some of this year's activities as a Champion, you will need to sign up online through a short form. This will take around 5-10 minutes. It's important to do this so that we can make sure to include you in activities and events this year.
