Dear Parent/Carer

As you will be aware, our children were not able to complete the Year 1 Phonics Screening Check last June. The government has therefore asked that all Year 2 children should take this missed screening test during this Autumn Term.

As was discussed at last year's phonics workshop, the screening check consists of 40 words, 20 real words and 20 made up words that children will be required to decode using their phonics knowledge. This check only takes approximately 10 minutes and will be administered by a member of SLT in a relaxed environment.

In order to support your child with this screening check, please continue with daily reading sessions and also supplement this with the use of "Phonics Play", as this website also has lots of interactive games, please find the link below.

<https://www.phonicsplay.co.uk/>

You will receive a report of your child's outcomes for this phonics screening check and additional support will be provided for your child if necessary.

If you have any queries please email me using our school admin address

Thank you for your support.

Ms Banton
