Friday 18th December 2020

Dear Parents/ Carers,

As we draw to the end of term, I would like to thank you all for your support through such a challenging time.

Jessop has weathered the storm of some disruption and additional pressures this year, including the bubble closures and the Year 2 phonics assessments.

I feel incredibly proud of the tenacity shown by staff and true resilience of our children to carry on.

On our return in the New Year, we will set out the timeline for the provision of Friday afternoons for children. Thank you for your support.

Whilst we remain unsure on the governments coronavisurs risk rating after Christmas,for the time being, we will continue with half days on Friday.

In addition to these measures, should you receive notification of a positive test outcome between now and Monday 21st December, please continue to inform the school office by email. We will inform the relevant bubble of the last days contact. However, should you receive notification of a positive test outcome after Monday 21st December, please contact public health on 020 7926 2900 or publichealth@lambeth.gov.uk.

Wishing you all a happy holiday and New Year.

Kind regards,
