

Jessop Stockwell Federation
Lead Headteacher: Ms A. Parker

Dear Parents/Carers

Science Week 21st - 25th June

Next week is Science Week across The Bonneville, Stockwell and Jessop Partnership. We will be looking closely at lots of different areas of science, learning about real life scientists and the impact of their work as well as becoming real scientists ourselves and carrying out investigations.

On Friday 25th June, we would like children to come to school dressed as a scientist as we will be focussing on possibilities and the careers in science that are available to us.

Which careers in science interest you?

Kinds Regards,

The Science Network Team
