Music Masters Year 2 Parent briefing Thursday February 24th

Dear parents and carers,

Jessop Primary School have a strong commitment to developing creativity in the pupils at the school. As part of this the school works with 'Music Masters' to provide a high quality music provision across the school.

The work begins in Year 1 where trained music teachers introduce early music skills in a fun and interactive way. This is developed in Year 2 where children receive music tuition on the violin.

Moving into Year 3 some children are given the opportunity to continue on the Violin and Cello with Music Masters right up to year 6. To give you some more information about the what happens in Year 3 we will be holding a Parent talk at 2 separate times on **Thursday February 24th at 9:00am and 3:30pm.**

Given parents are unable to come into lessons at the moment this would also be an opportunity for you to ask any questions you might have and share any concerns. We want this programme to be the best it can be for you and your children.

We hope you are able to join us for one of the meetings. It will be a great opportunity for you to find out more about our programme, team and your role in your child's progression with Music Masters. Any questions please feel free to get in touch.

Kind regards

Ashley Roye
