Friday April 29th INSET Day - School Closed

May 2022

Value of the Month: Friendship

Language of the Month - French

Monday 2nd May - Bank Holiday (School Closed)

Tuesday 2nd May - KS1 Year 2 SATs (throughout May)

Thursday 5th May - 09:00 Coffee Morning Drop In

Friday 6th May - 10:00 Reception - Butterfly Class Assembly

Monday 9th - Thurs 12th May - KS2 Year 6 SATs Week

Friday 13th May - 10:00 Nursery Panda Class Assembly

Monday 16th May - Wednesday 18th May - Year 6 Sayers Croft Visit

This was most certainly a year to remember as the exhibits came in thick and fast during the week of the exhibition, we were hard pressed for somewhere to present them all. The exhibition went from strength to strength with the most fantastical exhibits from all year groups. A big thank you to all the parents and carers who worked so hard to make the exhibition a roaring success!

EYFS  
Let's Grow

London's Burning

Year 1  
Taking Flight

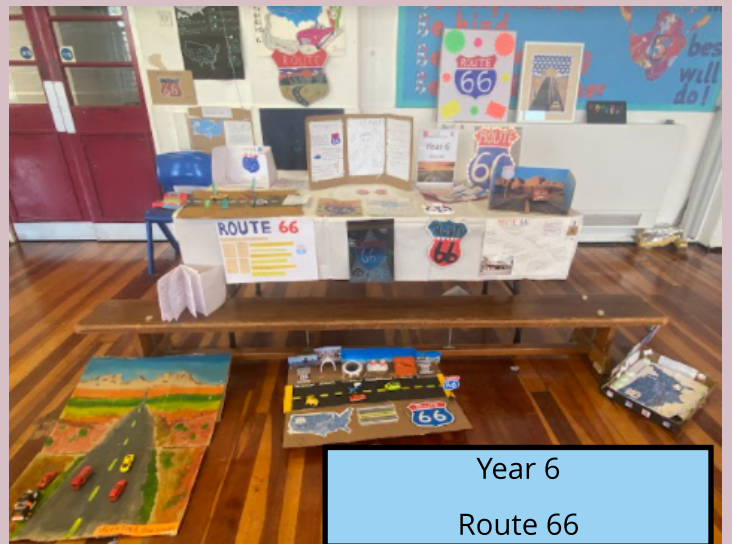

Year 3  
Clapham in Conflict

Year 4  
Paddington Bear

Year 5  
Windrush Journeys

Year 6  
Route 66

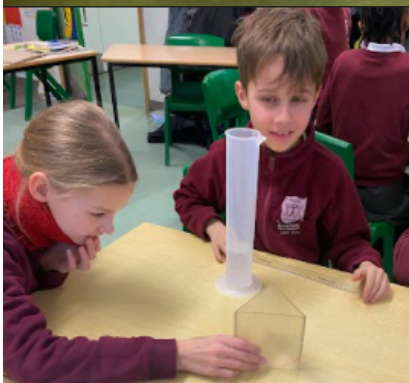

**Exhibition of Work  
Spring  
2022**

# Super Science Week

The week started with an insight into the world of Science. The theme for this year's Science Week was **Growth**.

A fitting theme for what has been a turbulent time for all of us, 'Growth' links with multiple areas across science, technology, engineering and maths. It includes exploring plant growth in your window box or discussing the impacts of economic growth on our society, or even personal growth over the last twelve months. The children were given the opportunity to explore the theme of growth throughout the week through science investigations. What a week it was exploring and dressing up as their favourite scientist. Experiences to last a lifetime.

Throughout the week all children were given the opportunity to carry out science investigations, speak with practising scientists and even come in to school dressed as a famous scientist. The week ended with a Science Poster Competition. Winners will be announced next term.

## Raring to go on Red Nose Day!

Thanks to your donations, on Red Nose Day we raised nearly £200 towards making a difference to the lives of millions of people across the UK and around the world. With thanks to all who had donated by painting their nose red to raise money on the day (a massive thank you to our PTA who stepped in at a moment's notice).

Our very own Ladybird Class Blessed the stage with their very own take on Red Nose Day, and of course the many many children and staff who came dressed in red to support the cause.

Jessop Family we salute you for your generosity towards such a worthy cause.

# Ladybird Class Assembly

Ladybird Class found the perfect way to introduce Red Nose Day and remind us of the real meaning of determination and perseverance. What a delight it was to see how far the children have grown in confidence since last term! Well done Ladybird Class and thank you to all parents and carers who managed to come and enjoy the assembly.

# Patience is a Virtue? A Prompt Reminder from Polar Bear Class.....

Just a little more..... patience was the clear message given to us by Polar Bear Class through their amazing performance! Singing, dancing, and acting all highlighted the importance of having patience and how practising this can help us in everyday life. This was a fitting end to the term where patience has been in abundance throughout the year so far. To ensure we get to the finishing line successfully regardless of what it is we need patience to guide us through. Thank you Polar Bear Class your message was heard received and very well noted!

Many thanks to all parents and carers for taking the time and enjoy their assembly.
