### Simply.....Sheku!

Jessop were excited to welcome Sheku Kanneh-Mason last week, an inspiring Cellist and an ambassador for Music Masters

Sheku worked with all of the Year 2 cellists at Jessop to inspire them and their school community in their music making. As part of the day Sheku explored improvisation and creative music making with our young musicians through a series of workshops led by cello teacher Rachel Watson

## Koala Class Assembly

**Two, four, six, eight...**

**Who do we Appreciate!**

Koala Class displayed a great demonstration of appreciation which was this month's 'Value of the Month'.

Koala Class performed an amazing assembly on Friday where they literally spelled out the meaning of Appreciation through a story of a boy who forgot just how much his parents have done for him. The children then used the word 'Appreciation' to explain its meaning. Thank you Koala Class for such a wise and thought provoking performance.

## Year 2 Parents SATs Workshop

**The Year 2 SATs Parent Workshop was well received by the parents whom attended. Lots of information was given regarding how to prepare your children for the assessments and how the assessments will be administered.**

**The main 'Take Aways' were as follows:-**

- 1. The SATS will be administered throughout May. Please ensure that as always your child has excellent attendance during this time.**
- 2. The SATs will be administered in small groups with adult supervision**
- 3. Teacher Assessment will also be used to finalise the childrens' results**
- 4. Above all support and reassure your child that there is nothing to worry about and that they should always just try their best. Praise and encourage!**

## Computing Coffee Morning

**Look out for our next Internet Safety Workshop, scheduled for next term,**

**Thank you to those who attended the Computing Parent Workshop. The main information taken away were:-**

- 1. Have a talk with your children about Internet safety**
- 2. Agree acceptable time limits for devices**
- 3. Have to hand alternative activities for your child when not on a device**
- 4. Keep up-to-date with apps that children use**
