Jessop Meets

Randall Goosby at Wigmore Hall

Our two musicians worked with Randall Goosby via zoom masterclasses last year which culminated in them being able to perform with him and other pathway pupils for a special concert. Randall did not disappoint, he was accompanied on piano by Jonathan Ware to perform four amazing emotive pieces - the whole audience was in complete awe. After the performance the children were able to personally meet with Randall, ask questions and have some photos taken on the iconic stage.

We also, by chance bumped into another inspiring performer who has previously visited and performed at Jessop a few times and managed to get a cheeky photo with him too - the great Sheku Kanneh-Mason.

A wonderful afternoon was had by all - who knows, we may be going to visit these two live in concert in the near future.

Jessop Young Marketeers

Seven children from our school embarked on a mission. The mission was to grow their own fruit and veg and sell them at our very own Borough Market in London, to raise money to supply meals for vulnerable people. I am glad to say that this mission was accomplished and the children raised £103.00. The #Felix Project and #School Food Matters spear headed this mission and brought together different schools from across London to support them with their cause. I am proud to announce that a total of £1132.00 was raised over the 2 days. Well done to all of you that took part! We are so proud of you.

Hello Yellow!

A Great Big Thank you!

We all struggle with how we're feeling sometimes. But the little things YOU do can make a BIG difference. In support of World Mental Health Day, Jessop family came to school wearing something Yellow or very bright clothing because a little yellow...goes a long way! Everyone also brought in £2 as a donation to the children's mental health charity #YoungMinds. A whopping £80 was raised on the day and we are still counting!

International Breakfast Day

All different ...All equal!

We would like to say a big thank you to all parents, carer's and children that came together today for our annual 'International Breakfast'- the first one since restrictions were lifted! It was a fantastic turn out which created real buzz in the dining room. Many parents brought in breakfast dishes from their home countries to share with their families ranging from freshly baked Pandesal rolls, sweet pancakes, authentic dumpling and plantain, fresh fruit salad and delicious pastries.

It was a great start to the morning, with lots of families bringing their children to share breakfast as well as get to sit and mingle with other parents and the Inclusion team.

Great Expectations..for all!

Year 6 Expetations Meeting

The year 6 expectations meeting went well! Mr Banton and Ms Akinpelu informed the parents about the learning that will be taking place in year 6, this term. The parents were able to hear about various topics and gain an insight into what activities the children will be doing. Parents presented the teachers with questions and brief open discussions took place. It was a great opportunity for both the parents and teachers to meet and talk through the year 6 expectations. Behaviour expectations and SATS exams were also discussed. Ms Jenkins and Mrs Burrows also touched base to discuss important events such as the year 6 school journey, and the introduction of jiu jitsu classes for all. Although socially distanced, it was certainly nice to be able to meet together again and share key information.
