Thursday 21st July to Wednesday 31st August
2022 Summer Holidays - School Closed.

Monday 1st September

School Re-opens at 09:00

Jessop sports day proved to be another triumph with three monumental events. This year KS1 and KS2 set their paces in our neighbouring school Evelyn Grace Academy who generously hosted our federation's events and our intergrated sports day. All three schools came together to compete in their house teams. Meanwhile, our EYFS children had a fabulous time competing more closer to school in our local Milkwood Park. Parents and carers were invited to all events and as always certainly did not disappoint us as the turned up in their droves! All children wore their house colours and competed for points throughout each event. The winning team for Jessop was Red Robins with 994 points.

Achieving excellence together

Sports Dayand they are off!

KS1 and KS2 competed against each other in their teams, the children had an amazing time at Evelyn Grace Academy and all children showed excellent sportsmanship throughout the competition. Parents also did not disappoint arriving well equipped and ready to compete in the annual Mum's race and Dad's Race. A big thank you to Evelyn Grace Academy for making these events so memorable, and an extended gratitude to our Coach Darral who ensured that the events were all successful.

A Talented Artist in the Making!

One of our very own children is making waves in the art world. She has set the scene alight with her undiscovered talent.....until now. She has been judged the winner in her category for the Young Artists Summer Show, with her adorable painting. We are so proud of your monumental achievement. Well Done!

Why not visit the exhibition? To find out more just click on the link below.

Panda Class Assembly

Panda Class took to the stage and reminded us all about the value of friendship. A special song and an even more special dance put everyone in great stead to extend the message to others. Well done Panda Class!

Picnic in the park

A big thank you to all that joined us for our annual picnic in the park. Thankfully the sun was out and we were all able to relax and enjoy the afternoon. There was plenty of food and drinks flowing with many families coming over to support and spend some down time with their children. There was a real sense of community with everyone coming together to sit, chat and share. A very successful turnout, we look forward to many more.

Summer Fair

Jessop Primary School and the Friends of Jessop held their annual summer fair and it was a resounding success. The weather was perfect, enabling the children to enjoy the two bouncy castles; the school band to play one of their best ever performances and the grown ups to enjoy a summer drink whilst soaking up the happy atmosphere.

The new picnic food theme replaced the old stalwart of hot dogs and chips, with an eye on healthy eating as well as being delicious. Fantastic salads and somosas were provided by parents and we hope to get many more such donations in the future! Of course, the ever popular cake stall was doing very brisk business, although the groaning table full of treats was more than sufficient to feed the never ending procession of eager customers! Not so the Pimms, Prosecco and also the plant stall all of which ended up completely sold out. We will know to increase stock levels next time!

A welcome change was the absence of single use plastic water bottles, with the mobile drinks trolley keeping everyone hydrated. Perhaps a bit too hydrated were the unfortunate fellows who ended up in the stocks, being pelted by wet sponges. Although they seemed to take it in good spirits!

Rounded out by a selection of games, craft tables, the bric-a-brac sale, and an incredible array of prizes won in the raffle, it was certainly an event to remember. A huge thank you to Miss Burrows, Miss Stephanie and the Friends of Jessop for all of their hard work to make it happen. If you would like to be involved in future, please drop a mail to friendsofjessop@gmail.com or ask at the office for more information.

Music Masters Making Sweet Music

What an amazing Concert that was brought to us by our Musicians from Year 2 to Year 6. The children worked hard to show us all they had learned throughout the year. This would not have been possible without the amazing team from #MusicMasters who have taught the children every week to ensure that every child reaches their full potential. The children performed their concert outside in the shade of Jessie's Den they showed true professionalism and were more than happy to serenade us throughout the glorious sunshine, a perfect end to a perfect year! Well done to all of our musicians and a special thank you to Music Masters who have made a difference to the lives of so many children.

Music Masters Year 6 Graduation

Year 6 Graduation was a sensational event performed in The Lambeth Town Hall, and rounded off the year in true style. The children played phenomenal renditions of songs such as 'Pink Panther' and 'This is Me' from The Greatest Show Man. There was not a dry eye in the house. Thank you to each and every one of our Year 6 Musicians for making this Graduation Ceremony so memorable. Continue to shine and perform with your heads held high as you will always be stars in our eyes!

Music Masters Team, words cannot express how much you mean to us as part of our Jessop Family. A massive well done for the beautiful relationship with music that you have given to our children and engraving a new pathway for our children to follow.

Carnival Time!

World Peace was the theme of this year's Jessop Carnival, and it certainly exploded with joy and happiness. The children performed their amazing dances to represent every continent of the world. Costumes galore came in all colours shapes and sizes and it was amazing to watch the sea of colour pouring into our school on Carnival Day. Parents, GrandParents aunts uncles friends and extended family all came to watch the spectacular event. Thank you to all who made this event the success that it was. A special thank you to Mr Allan who choreographed all the dances.

Year 6.... Blink and you miss it!

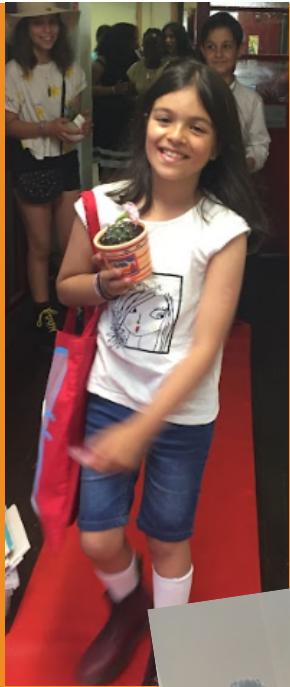

Where did all those years go! Another year over and another group of our oh so precious Jessop Family departing to venture the next chapter of their learning journey. We salute you year 6 for all the memories that you have given us over the past seven years. Jessop will not be the same without you. Go on to do great things and become great people, you all have the foundations to achieve what ever you want to achieve. This is not Good Bye but see you soon as our doors are always open waiting in anticipation for your return to share your discoveries with us.
