

Friday 9th September 2022

Dear Parents and Carers,

I am writing to inform you that we will be teaching our English and Maths morning lessons in streamed groups from Monday 19th September. This will take place for four mornings each week. Our decision to stream will support all Year 6 pupils and will ensure that everyone continues to make good progress at their own pace.

All children will receive the best level of input in smaller targeted groups.

We will be talking to the children about this so that we can answer any queries that they have about the new arrangements. Children in this cohort are already familiar with this process due to being streamed in Year 5.

We look forward to implementing the arrangements in a weeks' time, in the meantime, if you have any questions about any of this information, please do not hesitate to contact the Year 6 team.

Kind regards
Year 6 team
