

Dear Parents and Carers,

**Ref: Christmas (or other celebration) Card Project!**

This year, Jessop Primary are participating in the School Christmas Card Project, which is a wonderful opportunity to purchase a piece of your child's art work professionally printed on Christmas cards or other memorabilia! If you would like to participate, your child will create a festive artwork and you have the opportunity to order your child's design printed on cards, labels, wrapping paper etc.

Product	Price to parents <sup>stt</sup>
Christmas Cards x12	£5.50
Gift Labels x16	£2.50
Thank You Cards x12	£4
Mug x1	£7
Placemat x1	£5
Magnet x1	£2.50
Value Pack 24x Christmas Cards 16x Gift Labels	£10.50

Please note that participation **is not compulsory** and that the *cards* are not printed with a 'Christmas' message as standard (the inside of the card is blank). This means that even if you do not celebrate Christmas, but you would like to have personalised cards for other events or purposes, you can! Unfortunately, this applies to cards only as placemats and other products come with a Christmas border.

All orders must be paid for online, via scopay by Wednesday 23<sup>rd</sup> November and artwork should be returned by Friday 18<sup>th</sup> November as it must be sent off so that it can be printed in plenty of time for the holidays. Any profit raised will be given to the school Pupil Voice funding 'spruce up our playground' initiative.

For more information or for pictures of samples of the items, you could visit the website:

<http://www.schoolchristmascardproject.org.uk/>

Yours sincerely,

**Mrs Marion McNab**
