Parents / Carers Project X Code Reading Workshop

Tuesday 31st January 2023

Time: 2:30

Place: Conference Room

We would like to invite you to come and find out more about our exciting and motivational character adventure series Project X Code. Has your child come home and mentioned the word bites and mites? Then come and find out about Micro World where our very own X Coders are trying to crack the code to save the world!

Come and join us at our Project X Code Reading Workshop where all will be revealed!

You can find out ways to support your child with their reading at home and answer any questions you may have regarding their after school Reading Activity.
