NEWSLETTER Term: *Spring* Issue: 7 Edition *March*

Headteacher's Reflections

Welcome to the 3rd and final term of our school year. As we embark on the summer term, we look forward to a number of major school events. Sports day, the All Nations Carnival, School Journey, the Summer Fair, the Summer concert and much more.

Reflecting back on the Spring term we are all inspired by our past experiences and can only wonder at the things that are possible for us to achieve over the next few months.

Within our community, the Holy periods of Ramadan and Lent have occurred over the same period and many of our Muslim and Christian pupils, staff members and parents have spent recent weeks fasting, reflecting and finding ways to meet the needs of others within the community. Some of these efforts have been reflected in the activities that took place last term, including sponsorship tasks, plant growing, charity fundraising (Red nose) and focus days such as International women's day.

The values that we share clearly exist across all sections of our community.

They also help us to create activities and opportunities that bring out the best in us all. We are proud that the value for the month of April (Unity) sparkles and shines at the center of the experiences celebrated in this edition of our Newsletter.

Dates for Your Diary

April 2023

Value of the Month: Unity
Language of the Month: Japanese

Please note that dates are subject to change and any changes will be communicated.

Monday 17th April
Summer Term Begins

Friday 21st April
Coffee morning drop in - Summer Fair preparation

Thursday 27th April
Parent reading drop-in (8:55am - 9:15am)

Friday 28th April
INSET - SCHOOL IS CLOSED

May 2023

May - Value of the month is Honesty
Language of the Month: French

Month of May - KS1 SATs (throughout this month)

Monday 1st May
Bank Holiday

Friday 5th May
Butterfly Class Assembly (10:30)

Monday 8th May
Bank Holiday (King Charles' Coronation)

Tuesday 9th May - Friday 12th May
KS2 SATs all week

Friday 12th May
Ladybird Class Assembly

Monday 15th May
Twilight (No Extended Day Provision)

Friday 19th May
Elephant Class Assembly (10:30)

Monday 22nd May - Friday 26th May
Year 6 Residential to Sayers Croft

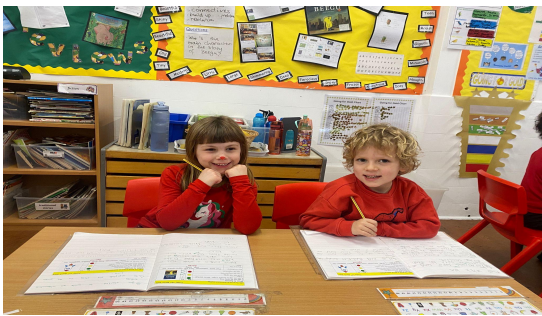

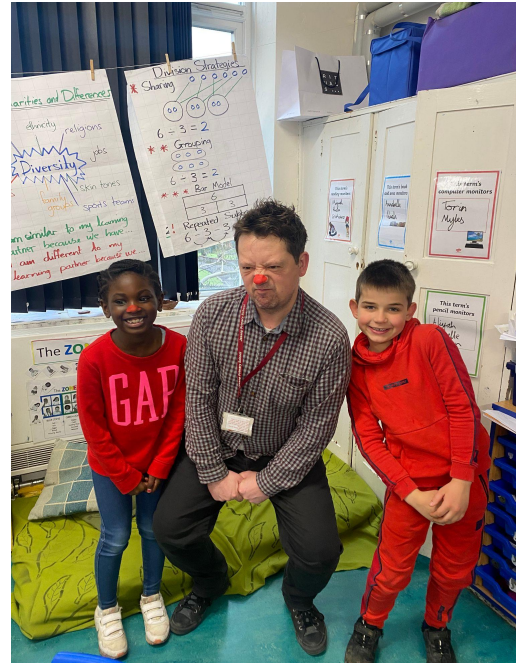

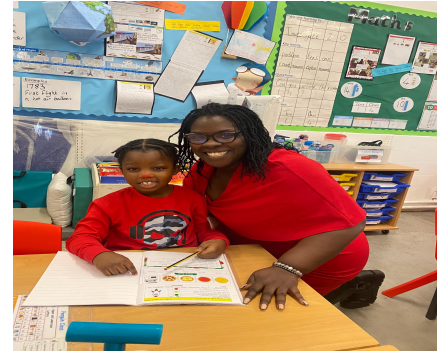

Friday 26th May
Panda Class Assembly

Monday 29th May to Friday 2nd June Half Term School Closed

Red Nose Day

Red Nose Day: £64 Raised.
Friday 17th March was a fabulous day at Jessop. The school was blanket of red in support of people in crisis! Children (and adults) in every class had massive smiles on their faces as we celebrated this worthy cause!

Jessop Primary School & Children's Centre
www.jessop.lambeth.sch.uk
Achieving excellence together

Maths Genius!

In November 2022 almost 58 000 pupils took part in the Primary Mathematics Challenge across England. Keir scored a phenomenal 20 out of 25 and took part in the Bonus Round in February. Not only did he take part in this round but received a silver award! We are incredibly proud of him! Keir said: *'At the start I was very nervous and I didn't think I could do it but then I did and I was very proud of my results. One thing I've taken away from this experience is to reach high because you never know what you can achieve!'*

BJS Federation Maths Event

On Wednesday 22nd March, eight of our Year 3 and 4 children took part in our very first BJS Federation Maths Event. They had to work in pairs to overcome four very difficult mathematical problems. We had strong competition from both Bonneville and Stockwell Primary Schools. Not only did they solve these problems, but won the entire competition! Go Jessop!!!

What did they children say?

'I think our great teamwork made it possible to win! I was nervous at the start but at the end when we found out that we won, I was just overjoyed with happiness!'

'Lest we Forget'but always Forgiven!

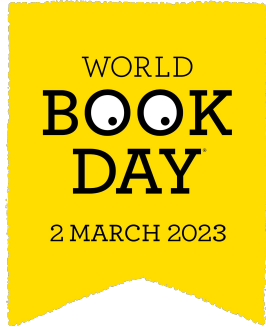

A step back in time Gorilla Class took us way back to World War 2 and demonstrated that our the Value of the month Forgiveness is timeless. A very troubled time when people were displaying showing horrific acts towards humanity but still were able to forgive and let go!

The class reminded us that the Value of forgiveness is precious end enables us to move on in our thinking and well being, we are all worthy of forgiveness advice that will last for a lifetime!

During World war 2 families had to send their children to the countryside to survive the Blitz in London. Forgiveness had to be given on all levels as children could not understand why they had been sent away and protested on all levels even setting free sheep....the story unfolded on our stage and brilliantly acted out by Gorilla Class. Where they forgiven? Of course they were!

What an amazing performance by Gorilla Class acting and singing that could be compared to actors on the west end stage! Well done Gorilla Class! Many thanks for all parents family and friends who were able to come and watch their performance.

World book day is an amazing and fascinating day, and here at Jessop it was no exception! Pupils dressed up as all kinds of things, from the Mad Hatter to Willy Wonka. We even had a Wednesday Addams! The children here were treated to a professional storyteller who told myths from an incredibly diverse range of places from South Korea to North America. It was certainly a treat. We also had the annual world book day Where's Wally hunt, thanks to Ms Akcakiryan. The lucky winners received a marvellous certificate. Well done to all who took part. It was a fabulous World Book Day and here's to many more to come!

Achieving excellence together

Parent Workshops and Events

International Women's Day was a day to celebrate and recognise the achievements of women.

On March 8th we were raced with the presence of a Barrister, Policewomen, a Research and Evaluation Consultant, a Lawyer, a Shadow Labour MP and a Global Head of Sales. The children were certainly inspired by the work that they do and had so much fun finding out about the possibilities that each career can bring them in the future. MAny thanks to you all and for being such an inspiration to our children.

www.jessop.lambeth.sch.uk
Achieving excellence together

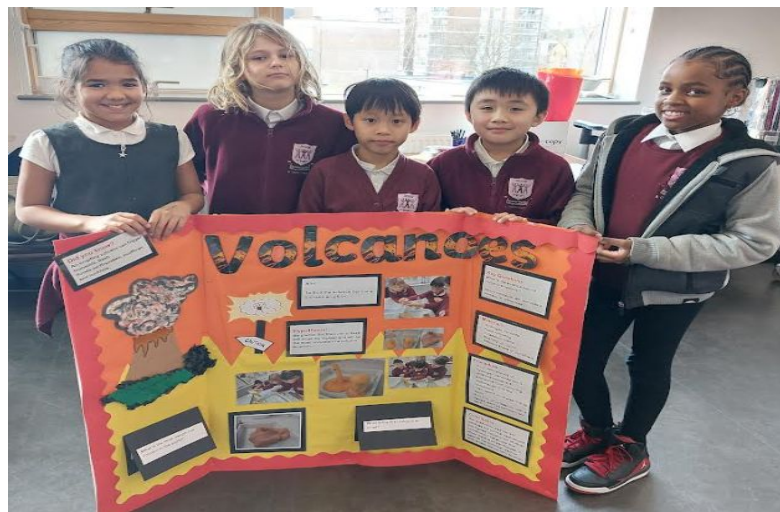

Parent Workshops and Events

Science Week

As part of British Science Week, year 4 and 5 had a science workshop from a parent volunteer who is a scientist. The children were fully engaged and enjoyed the session. They had the opportunity to ask many questions related to different possibilities in Science.

Science Fair Winners- 1st Place

From Chemistry through to Geography, our year 5 scientists emerged winner and won the first place at BLC Science Fair 2023, hosted by St Gabriel's College. This event gave the pupils the opportunity to plan, design and present a science experiment as a team. The hypothesis tested were fascinating: What causes volcano eruptions? They spent many weeks preparing their project and delivered brilliantly on the final day. The pupils wowed the judges with their excellent presentation and scientific knowledge of their project as well as excellent team work. Well done Jessop!

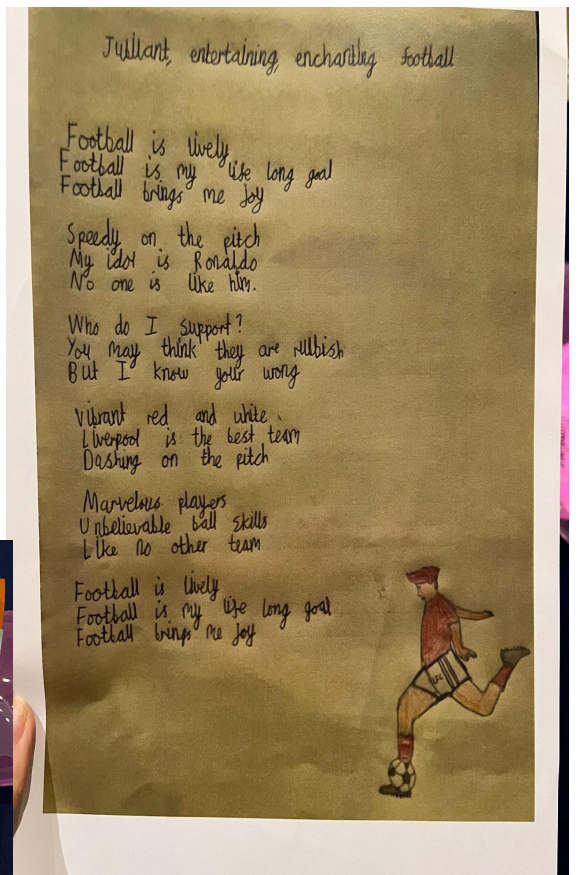

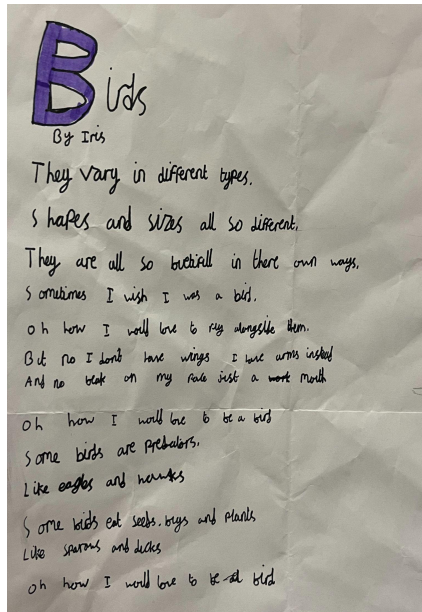

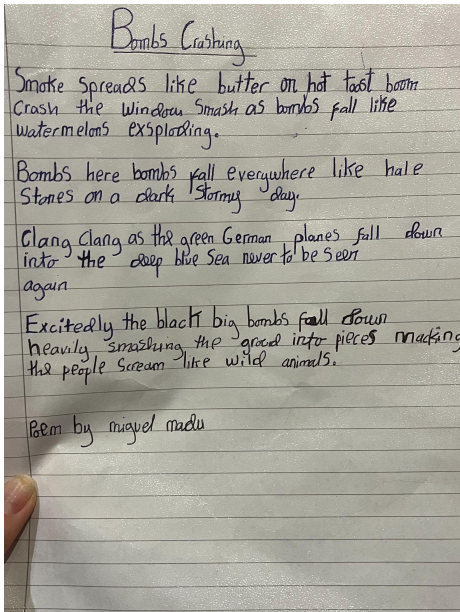

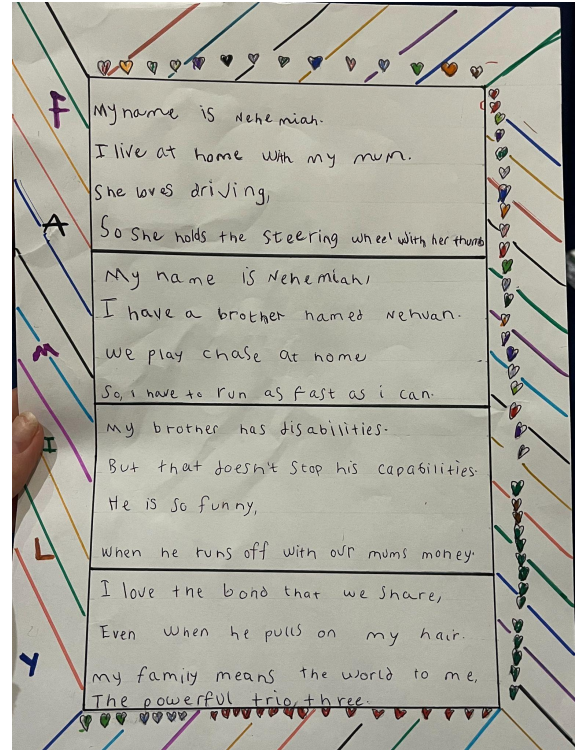

Parent Workshops and Events

World Poetry Day

21 March

As their February half-term homework, children were asked to write a poem for World Poetry Day. MANY gorgeous poems were submitted, and all were celebrated at our very special World Poetry Day assembly. Although they were all a joy to read, the poems on this page stood out as our winners - enjoy!

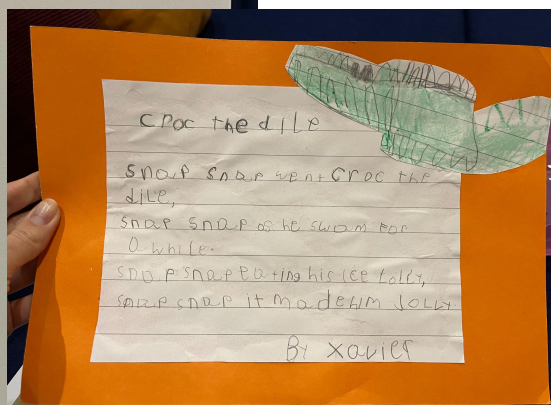

Percy Penguin

Penguin family
 Cuddling close for safety
 Keep their home frozen

Very cute creatures
 We are always hunting
 We eat lots of fish

It is very cold
 Although i love cold weather
 My name is Percy

Topic Dress Up Day

We celebrated the end of the term by dressing up as our Spring Term's topics. Thank you to all children and staff who dressed up!

- EYFS - Roots and Shoots
- Year 1 - Taking Flight
- Year 2 - London's Burning
- Year 3 - World War II
- Year 4 - Paddington Bear
- Year 5 - Windrush Journeys
- Year 6 - Route 66

Parent Workshops and Events

Enterprise Event...

What a fun way to end the term! Each class was given £15 by Mr Baffoe and had to write business plans for the Enterprise Event. They came up with incredible products to sell from Digital Art Prints, popcorn, books, bracelets and many more. The Year 5 classes made a phenomenal profit of £125! We are so impressed with the children's skills. Young entrepreneurs in the making!

**EYFS a Celebration of their Work
Roots and Shoots!**

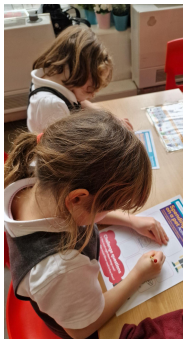

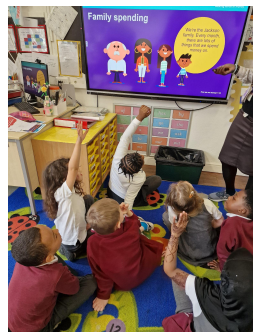

This term's topic roots and shoots was simply blossoming with new discoveries, from our visit to Brockwell Park Community Greenhouses, showing us how to plant seeds and watching them grow into plants and food, to baking bread and making fruit kebab! So much has been learnt this term and oh how we had fun finding out about our growing world around us. Many thanks for all the support from family and friends who have supported us to make this happen!

Key stage 1 a Celebration of their work

This term in PSHCE year 1 have been exploring the concept of money and different types of money. The children learnt where money comes from and how it is spent. They explored the ideas of needs vs wants. Children identified coins, notes and bank cards and started to think about when and how they are used. The unit ended with an enterprise week.

Children took part in the Natwest MoneySense workshop: **How We Use Money.**

Year 2

To consolidate their Topic learning 'Great Fire of London' – year 2 went to St Paul's Cathedral. Children have been learning how the Great Fire of London brought about a number of significant changes to the city including The Fire Brigade, the geography of London and building regulations. The dome of St Paul's Cathedral was rebuilt after the fire. The building would rise out of the ashes of the Great Fire of London just like a phoenix. It would be a symbol of resilience, and hope, and of resurrection.

Thank you to all the parent volunteers who supported on the trip.

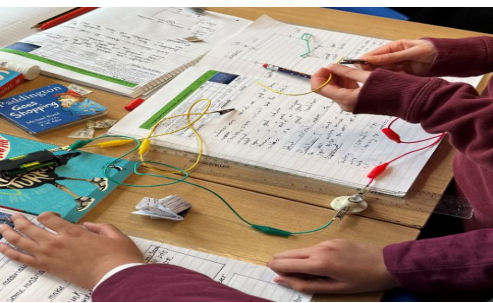

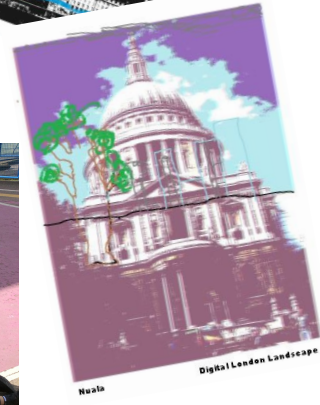

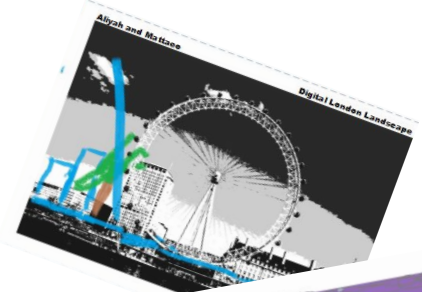

Jessop Primary School & Children's Centre

Achieving excellence together

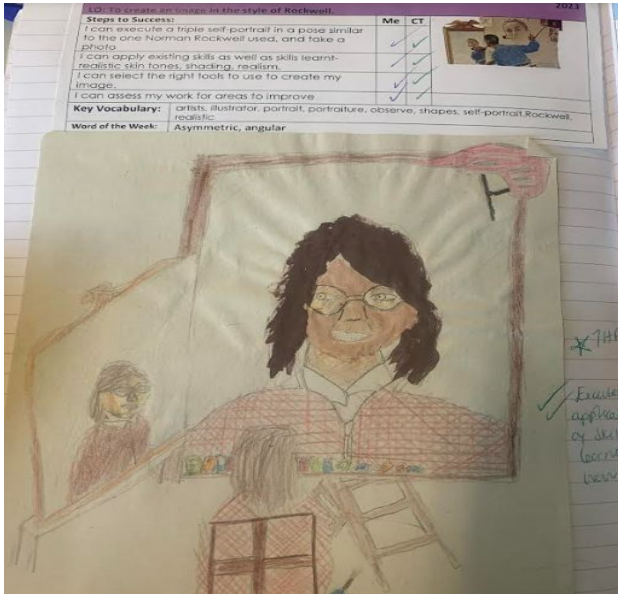

& Children's Centre

Lower Key stage 2 a Celebration of their work

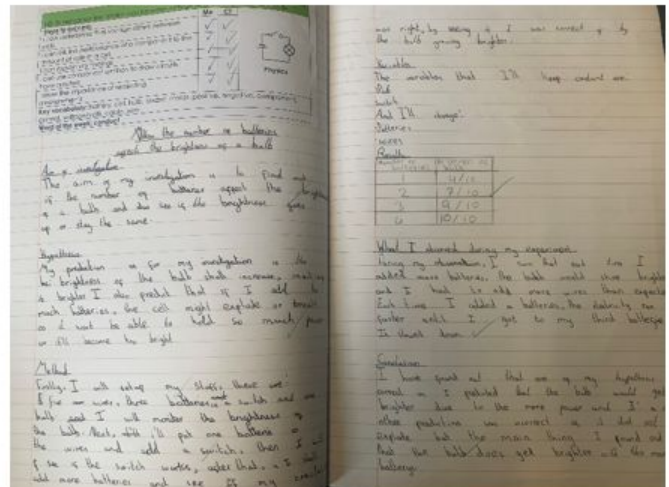

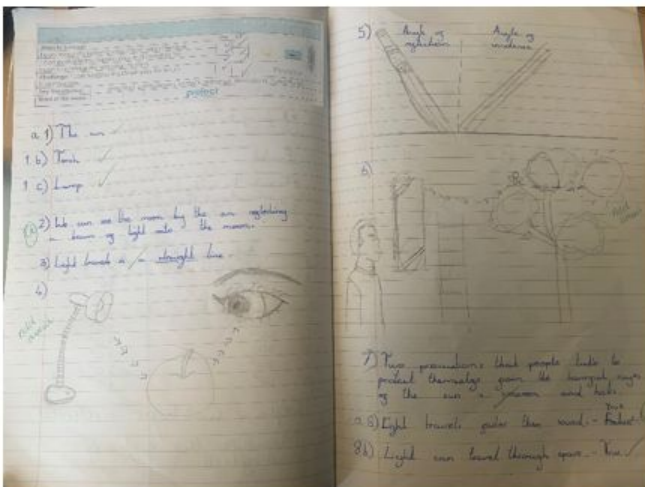

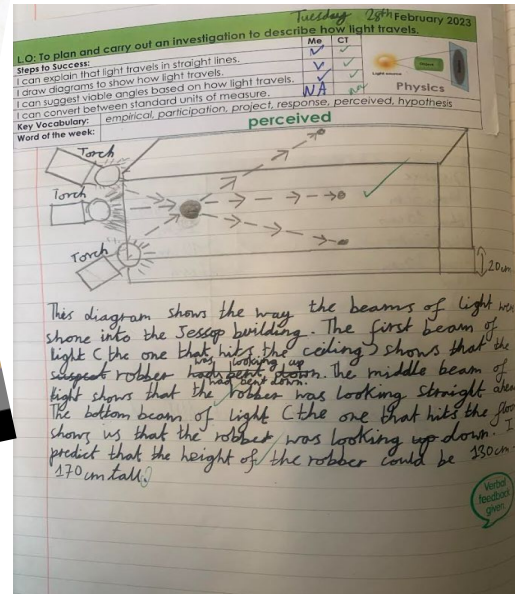

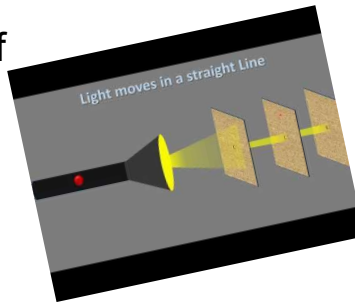

LKS2 have had a busy and exciting month! They've been wrapping up their Topic learning, and participating in Science and Art days. They're honing their Maths and English skills, working hard in their lessons, and generally just doing their best in school! We four teachers are very proud of them :) Take a look at some of the exciting things they've been up to this month!

Upper Key stage 2 a Celebration of their work

UKS2 had an exciting term! The children produced great final pieces of work for their triple self portraits, in the style of Rockwell. They participated in a number of engaging experiments, exploring light. Here are some of our brilliant outcomes!

Jessop Primary School & Children's Centre
www.jessop.lambeth.sch.uk
Achieving excellence together

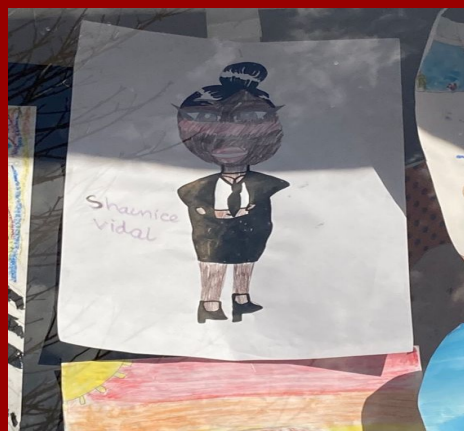

A celebration of the special women in our lives!

This month, some of the pupil voice children organized a Mother's Day competition for children at Jessop to participate in. It tied in beautifully with our celebration of 'Special women in our lives' on international women's day. Children from Nursery up to year 6 took time and drew portraits of the special woman in their lives. The portraits were PHENOMENAL! The attention to detail and care given was a true reflection of love from these children. As a result, each and every portrait hangs beautifully at Tomlinsons in Dulwich Village for all to see and enjoy!

A special mention to Kyomi and Kiara in Lion class who were the runners up in the competition and have their portraits displayed on the shop window. We are very proud of all of our children here at Jessop for all their hard work and dedication, and their appreciation of the adults in their lives!

The special women in Jessop children's lives.

giving your child a better start

Lambeth Better Start Services

- Baby sessions**
Children's centres run a range of groups for babies and their parents and carers. Look out for Baby Explorers or Baby Bounce and Rhyme sessions in centres near you.
- Stay and Play sessions**
Come along and enjoy playtime with your child, meet some other parents, and pick up tips on how to support your child's learning and development.
- Communication and Language groups**
Come along and enjoy playtime with your child, meet some other parents, and pick up tips on how to support your child's learning and development.
- Natural Thinkers**
Outdoor play and learning for you and your child. An opportunity to connect with nature and the environment and try out new forms of play.
- Making it REAL (Raising Early Achievement in Literacy)**
Over a series of one to one contacts or face to face, you will gain lots of skills in how best to support your child's early communication and language development.
- Support for young parents**
Young mothers and fathers are warmly welcomed at all children's centres, but sometimes you may want more additional support tailored to meet the needs of young parents. St Michael's Fellowship will support you and your child through one to one support. You can contact them on: 020 8635 9570
- Special Educational Needs and Disabilities (SEND)**
All the activities listed on the programme are accessible and inclusive, but sessions such as Small Group Sensory Sessions or the Small Group ASD session provide additional support for children with SEND, while programmes such as Early Bird help you in your role as a parent.
- LEAP (Lambeth Early Action Partnership)**
Provides additional support and activities for families of children aged from 0-4 living in Tulse Hill, Clapham, Brixton and Stockwell. If you live in those areas, please keep a look out for LEAP activities.
- Child Health Clinics - currently by appointment only**
Run by the Health Visiting team from Green London, child health clinics are a great opportunity to get information and ask any questions about your child's health, growth, development and immunisations. You can also find out if you can get Healthy Start vouchers to use for free fruit, vegetables and milk, or find out about the free Vitamin D scheme. Please bring your red book along.
- Lambeth Families Information Service**
Looking for children or their early learning for your two, three or four year old? Do you want to find out more about applying for school? Or to learn about other services and support for your family in Lambeth? The Lambeth Families Information Service is here to help.
lambeth.gov.uk | lambeth.gov.uk | 020 7708 9558
- Baby Feeding**
Need support with feeding your baby? We offer support for breastfeeding support and starting solid foods. Find the contact information on the timetable or contact your local children's centre.
- Parenting support**
Being a parent isn't easy, and it's normal to need some help along the way. Lambeth's Parenting Support Service helps families to access the right support for them, whether this be taking part in a parenting course, completing a virtual programme online or accessing a one to one session. All the support offered is 'evidence based', which means it has been proven to make a difference for families. To find out more, and to register with Lambeth's Parenting Support Service, visit lambeth.gov.uk/parenting or talk to your local children's centre.
- ESOL**
Children's centres provide ESOL classes to help you develop your skills in reading, writing and speaking English. Contact the children's centre to find out more and book a space.
- Adult Learning classes**
Fancy learning a new skill? Or finding out more about how you can support your child to learn and develop? A range of courses are delivered in children's centres across the borough. You will need to be able to control by attending every week. Contact the children's centre to find out more and book a space.
- Better Start Workers**
We all need a little support to find our way around systems or solving problems. The Better Start Workers are here to help you. Make a request today: lambeth.gov.uk/childrenscentres
- Employment support**
Are you thinking about returning to work? Maybe you need some help with updating your CV? Book a telephone appointment with an Employment and Training Advisor by calling your local children's centre.
- Financial support - Citizens Advice**
Citizens Advice telephone appointments and face to face appointments are available in children's centres across the borough for families with a child under five.
- Free childcare and Early Learning for two year olds**
Your child could be eligible for up to 10 hours a week of free early learning with a childminder, pre-school, day group, day nursery, nursery school or Children's Centre. Find out if you qualify and apply online today: lambeth.gov.uk/freeearlylearning
- HERNY**
HERNY helps parents with children under five gain the confidence, knowledge and skills they need to help the whole family adopt a healthier, happier lifestyle and to give their children a great start in life. We are running stand alone workshops on topics such as Family Eating, Starting Solids and Healthy Teeth as well as the eight week Healthy Families. Right From The Start programme. To sign up please email: gel.r.h@lambeth.gov.uk or visit: lambeth.gov.uk/healthyfamilies or talk to your local children's centre staff.
- Alexandra Rose Vouchers**
We offer Alexandra Rose Vouchers to eligible families to exchange for fresh fruit and vegetables at Brixton, Norwood, East Street, Pritcham and Waterloo Market stalls. Food Bank, Better Start Workers can give you and your family to a local Food Bank to support you in accessing food. Speak to your local Better Start children's centre team to find out more.

**SEND...ing
A Fond Farewell!...
And so to the next chapter!**

As we close our gates to another amazing term we must also say farewell to one of our long serving members of staff, Mrs Burrows she has played a massive part in our school community. Starting her career as a student teacher and following her dreams to become our Special Educational Needs Coordinator. She has made a difference to so many children and their families throughout the years and now it is time to widen her horizons and do the same in another school community. Good luck Mrs Burrows and thank you for your hard work, commitment and the dedication that you have given to our school.

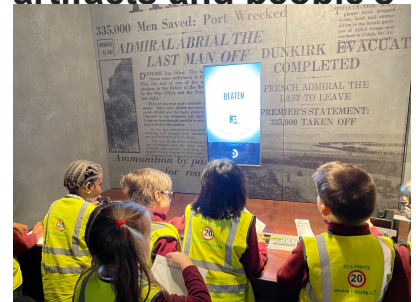

Keep Calm and Carry On!

Year 3

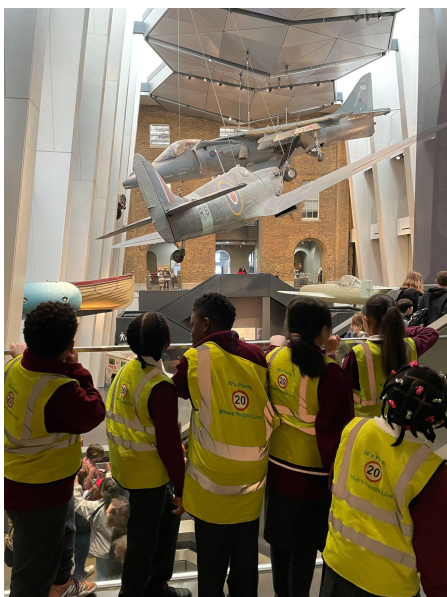

At the Imperial War Museum, the year 3 children had a chance to experience primary historical evidence, in the form of images, artifacts and people's stories, from World War 2.

As they explored the WW2 exhibition, year 3 drew and annotated pictures of objects that caught their interest and explored the rich interactive and engaging resources of the museum.

Children and adults alike had a lot of fun and were tired out at the end of the day.

It was a fantastic trip and a great way to finish the spring term topic.

Many Voices Concert

MUSIC
MASTERS

Our Year 4 young musicians rose to the occasion when they played with Blasio Kavuma at the World Premier Many Voices Concert in the prestigious Wigmore Hall. True professionals, all that hard work and perseverance really paid off! We are so proud of each and everyone of you. Well Done!

Pathways Concert with Jordan Bacs

Our Pathway Student loved her experience cheering on Jordan Bacs at his performance at Wigmore Hall. She even got a shout out from Jordan himself! She has relentlessly dedicated her spare time to rehearsals for her concert at Prior Western Primary School. A massive well done for all of your achievements so far, keep going for gold!

Air Pollution - Help us fight against it

Many thanks to Claire from 'Mums for Lungs' (a network of parents worried about the effects of air pollution on their child's health). Claire came into our school to talk to our children about the dangers of air pollution and how we can all play a part to reduce and stop our clean air from being polluted.

Did you know that children actually breathe in more air than adults? An adult takes 12 - 18 breaths per minute, a 3 year old takes 20 - 30. That's because children are so good at playing. It's one of the reasons clean air is so important for children, taking toxic air deep into their lungs can stunt their growth.

Find out more about air pollution by reading the flyer below or visit the Mums for Lungs website by following the link below. You too can get involved.

<https://www.mumsforlungs.org/>

AIR POLLUTION AND HOW IT AFFECTS YOU

LONDON'S TOXIC AIR IS A DEADLY PROBLEM.
 Air pollution contributes to **thousands of early deaths each year** and it affects the day-to-day life of many more who suffer from the long-term illnesses it causes. Particulate air pollution (PM2.5) was estimated to be responsible for **6.4% of all adult deaths in the London region in 2019.**

THE YOUNG AND THE OLD ARE MOST VULNERABLE.
 Maternal exposure can result in **preterm** and **low birth-weight babies**. Inhaled tiny carbon particles have even been found in **mothers' placentas**. Children living in highly polluted areas of London are more likely to have **reduced lung growth**, in old age a lifetime of exposure can result in **reduced life expectancy**, and increased risk of **stroke** and **heart attacks**.

LINKS TO ASTHMA, HEART DISEASE, STROKES AND LUNG CANCER.
 There are also suggested links to **brain** and **breast cancers**, **diabetes**, **dementia**, **impaired memory**, **reduced ability to learn**, **poorer exam performance**, mental health problems including **bipolar disorder** and **schizophrenia**, **depression** and **teenage psychotic episodes**.

My five-year-old son is one of many London children affected by air pollution. He's been to hospital 12 times with breathing difficulties, two of his attacks were life threatening. All London's kids should be able to grow up healthy.
RUTH

AIR POLLUTION IN LONDON CAN STUNT CHILDREN'S LUNG GROWTH BY 13%

MUMS FOR LUNGS

AIR POLLUTION WHAT YOU CAN DO ABOUT IT

- STOP BURNING WOOD**
It causes more particulate matter (PM2.5) air pollution in the UK than traffic. Bonfires, fireplaces, fire pits, DEFRA approved eco-stoves and even the newest Eco Design stoves all release harmful levels of particulates into your and your neighbours' homes.
- NO IDLING**
Turning your car engine off whenever you pull over is a really easy way to stop polluting the air, and it saves fuel.
- RETHINK ONLINE DELIVERIES**
Collect deliveries from a local shop rather than get them delivered to your home, as this cuts down the amount of courier driving. Most courier vans are powered by diesel which is far more polluting than either petrol or electric. Better still, shop locally on foot and by bike.
- ELECTRIC CARS**
If you have to have a car, ensure it is the least polluting option. Diesel cars are much more polluting than petrol cars. Electric cars do not pollute from the exhaust pipe, but they still emit particulate matter (PM2.5) through tyre, brake and road wear.
- TRY CAR-SHARING**
London has a large network of cars which can be rented by the minute, hour or day. Drive to your destination and leave the vehicle there, no need to take it back home or pay while you're not using it. Easy to book, cars are often brand new, insured, include fuel and increasing numbers are electric.
- WALK, CYCLE, SCOOT - DON'T POLLUTE!**
Ditch the car for short trips to school and the shops. For longer journeys use public transport or a bike. Did you know pollution inside a car can be more than three times higher than outside?
- WALK AWAY FROM THE KERB**
As a pedestrian, the closer you are to the traffic, the higher the pollution levels. Keep as far from the road as you can, especially when waiting at crossings, and try to walk down quieter streets with less traffic.

WHAT IS AIR POLLUTION?
 It's a mix of particles and gases that harm you when you breathe them in. Particulate matter (PM2.5) is one of the most dangerous pollutants, it's made up of tiny particles of soot and dust. Gases, like nitrogen dioxide, are emitted by (mainly diesel) vehicles.

MUMS FOR LUNGS

Sports at Jessop

Jessop Lionesses - Host Stockwell Girls

The most legendary and long awaited football match of the year. Jessop Lionesses vs Stockwell Primary School.

What a beautiful match, filled with ups and downs, happiness and heartbreak, victory and loss. Jessop Year 6 girls vs Stockwell Year 6 girls put on an entertaining match. Jessop Lionesses scored a magnificent goal within minutes of play from our golden girl Anna a brilliant attacker but Stockwell's defence was too strong we couldn't get another goal in despite all our efforts.

Emma ran circles around the opposition but couldn't get a lucky break to score. Second half Stockwell scored 3 goals all from their striker ending the match and with us taking a 3-1 loss. Jessop dominated the first half with a master class performance but Stockwell took the lead with a victorious final.

Better luck next time girls there's still time to practice for a rematch!

Thank you PTA you have done it again!

**Disco Lights on the go!
Mike Check**

Thank you so much to everyone involved in making our disco such a roaring success.

Thank you again to the PTA for using some of the funds raised to give the children a big end of term celebration!

Sponsored Silence and Fundraising

We have such a generous and inspirational community of learners, who have been inspired enough by our Fundraising Assembly initiated by our very own Coach Darral. Some have been so inspired that they have taken matters into their own hands to raise money for our sports equipment. Many thanks to our very own Year 1 child who organised and raised money for our worthy cause!

We also held a Skipathon on the last day of term, which was very well attended by our children. So well attended that we ran out of time and will continue with the Skipathon during our first week back to school.

If your child has completed the Skipathon Fundraiser Challenge please remember to bring in any money raised and hand it in at our main office, or pay it into our school cashless system online (SCOPAY).

Many thanks for all the support so far. Look out in our next edition to find out how much was raised.

Achieving excellence together

Let the Exhibits do the Talking!

Many thanks to all those who took part to make it such a success as always.
