

Dear Pupils, Parents and Carers,

This year we are inviting you and your family to get involved in our annual carnival again! We want to make this carnival full of celebration and joy and would like to invite you to design and make your own carnival costume as part of our

Summer Exhibition of Work 2023!

Carnival Date Friday 14th July at 2pm

Year group	Theme	Colour of Costume
Nursery	Our World	Rainbow
Reception	Thermal	Yellow
Year 1	Sea	Blue
Year 2	Litter	Orange
Year 3	Land	Bright Green
Year 4	Noise	Purple
Year 5	Climate Change	Red
Year 6	Air Pollution	White

What could you design and make?

We would like you to design and make a costume to wear for the carnival. This must be in the colour according to your child's year group as stated in the table above. Most importantly you MUST be able to dance in it!

You could make a headdress, a mask, a funky t-shirt or a full blown costume!

Just make sure you use your imagination and try your best!

Our theme this year is 'Anti-pollution'

Please ensure that all projects are sent to school by Monday 4th July

As part of our backdrop we would like you to bring in plastic bags and plastic bottles (rinsed please). Please leave these donations with the office.

Thank you!
