# Artwork Request

**Have your artwork displayed in Brockwell Park throughout the restoration of Brockwell Hall**

Brockwell Hall is currently undergoing an exciting restoration funded by the National Lottery Heritage Fund and Lambeth Council, in partnership with the Brockwell Park Community Partners.

Local schools are invited to ask pupils to create a piece of artwork to be displayed on boards surrounding the building works, with the added opportunity for chosen artwork to be displayed in a temporary exhibition once Brockwell Hall is re-launched.

Drawings, doodles, paintings, poems and digital art are encouraged, illustrating favourite memories or activities within the park or depicting hopes for the future of Brockwell Hall.

## Submission Information

Submissions will be accepted until 5pm on Monday 11th March 2024. Please ensure a first name, age and school name are written on the artwork and send or scan a copy to [venues@lambeth.gov.uk](mailto:venues@lambeth.gov.uk).
