Dear Year 6

As we all gear up for SATs next week, we would like to take a moment to send you all our best wishes.

We are extremely proud of all your efforts, perseverance, and attitudes over the past years. You have never given up on your learning; you have continued to smile; you all make us so happy to see you coming to school every school day.

Those of you who have attended intervention after school have done so with dedication and commitment to achieving your best.

All your teachers and Mr Baffoe (Headteacher) have worked so hard. Many of them have come in even when they don't feel great or maybe even a little ill because they want the best for you.

Now it's time for you to believe in yourselves because you know that we believe in you and become the best that you can become.

We wish you all the best for your SATs tests but they are just tests...the crucial bit to remember is that you have come across everything on the papers throughout your learning journey. You've got this! You have the strength to embrace every challenge and rise towards your success.

Best wishes
Year 6 team
