

## WASTE NOT, WANT NOT

Get Rid of and Donate believes in recycling pre-loved unwanted items with a 2nd or even a 3rd life span!

With the cost-of-living crisis, every one needs some help.

We collect good quality clothes, shoes, bedding, books, toys, household, tech, electronics, appliances and furniture. We redistribute and help people in need; struggling families; the elderly; people with disabilities; the homeless; refugees & asylum seekers and more. YOUR unwanted items can go on to help and it will reduce waste ♻️ to landfills.

What's more, you'll also help protect the environment as reusing items reduces the amount of waste we send to landfill.

For more information on the company, please visit [www.getridofit-donate.com](http://www.getridofit-donate.com)

Get Rid of and Donate will be at Jessop Primary school

on

Friday 21st June 2024 in the KS1 playground
